

*Be Strong
and
Courageous*

After holding out hope that we would be allowed to reopen again, the likelihood that we can effectively reopen this season and without restrictions is gone. After much consideration, Tumble Time Gymnastics will be on “hold” for the rest of this year (2020) and focus on the hope of reopening in 2021. For those of you that have not already heard, on July 10th, 2020 there was an amended order in Merced County that closed down all youth sports. This Pandemic is an unfortunate time in our lives and after 25 years of serving the youth of this community, it is a situation that we never could have anticipated would ever happen. The cost of paying utilities/rent etc, cannot be maintained without steady income. This decision was not an easy one. Unfortunately our hands are tied and we believe that temporarily closing for the rest of the year is the right thing to do so that Tumble Time can have a future to look forward to. We want all of you to stay healthy & safe. The length of this closure will be dependent upon governmental guidance.

- **We are in need of a storage space that can safely store all of the equipment until we are able to reopen next year.**
- **We will also be in need of a new building to rent when the time is right.**

Sponsorship

We really appreciate all the generous financial support of our Merced community businesses throughout the last 25 years.

We would like to express our gratitude to all the families in Merced County that have been a part of our Tumble Time Family! Thank you for your continued help and support as we plan to come back even stronger. Please don't hesitate to contact us if you have any questions.

Faithfully,

Liz Falk/Owner
